

Micah 2:9 The women of My people have you cast out from their pleasant houses; from their children you have taken away My glory forever. **10** Arise you, and depart; for this is not your rest: because it is polluted, it shall destroy you, even with a total destruction. **11** If a man walking in the spirit and falsehood do lie, saying, I will prophesy to you of wine and of strong drink; he shall be the prophet of this people.

Verse 9: Without Housewives, the children loose the glory of God.

Verse 10: Total destruction for the country will be a matter of fact.

Verse 11: In this case, the people (especially the young people) are given a false evil trust – alcohol.

TV and computer give the knowledge how to do many bad things.

And without Housewives the children get the ability to really do bad things. (If you don't understand this now- after the third world war you will maybe understand what I mean!)

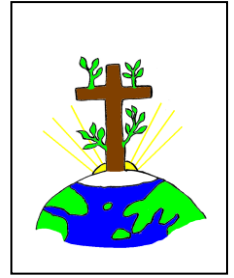

The strongest economy in Europe has many Housewives. And as far as I know both North America and Europe was built up with Christianity and Housewives. Mostly 100% was Housewives in the old time- remember this!

But if any provide not for his own, and especially for those of his own house, he has denied the faith, and is worse than an unbeliever. 1 Tim 5:8

But the younger widows refuse: for when they have begun to wax wanton against Christ, they will marry; Having damnation, because they have cast off their first faith. And withal they learn to be idle, wandering about from house to house; and not only idle, but tattlers also and busybodies, speaking things which they ought not. I will therefore that the younger women marry, bear children, guide the house, give none occasion to the adversary to speak reproachfully. For some are already turned aside after Satan. 1 Tim 5:11-15

•But gives mercy to thousands when someone loves Me and keep My commandments, *Exodus 20:6*

This verse have inspired me very, very much because it says like this to me: if one person really seeks the truth and are willing to live holy according to the Bible and to really love people, Jesus and God, 1000 of people around will be saved, even if this person is living in the countryside for himself.

• Come to Me, all you that labour and are heavy burden, and I will give you rest. Take My yoke on you, and learn of Me; for I am meek and lowly in heart: and you shall find rest to your souls. For My yoke is easy, and My burden is light.

Matthew 11:28-30

Jesus is really love full and He really likes to help us if we are true to Him. When I got on the way with Jesus I was so happy and joyful. From now on people couldn't push me to do bad things anymore. The big thing of being a Christian is that it becomes a real rest to follow Jesus. It's really the opposite of following the big crowd of people, which, many times, push us to do things that are bad.

JESUS REALLY GIVES US PEACE OF LIFE.

• But if we walk in the light, as He is in the light, we have fellowship one with another, and the blood of Jesus Christ His Son cleanses us from all sin. If we say that we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness. If we say that we have not sinned, we make Him a liar, and His word is not in us. *1 John 1:8-10.* It is really safe to follow Jesus.

Moreover you has taken your sons and your daughters, whom you has borne to me, and these hast you sacrificed unto them to be devoured. *Was not sexual immorality enough* should you also slain my children, and offered them to cause them up to pass through *the fire* for them? *Ezekiel 16:20-21*

God and Jesus doesn't like fornication in any form, but when we destroy our children they get really angry because the meaning with life will then stop. The real love will stop and God is love.

I believe that families where both are working offer their children to Mammon (material wealth) and the devil. Their children don't get the real care and love, that only a mother and father can give, and they lose natural sense and real love to people, and the whole country get very bad if everybody are living this way.

Kindergarten (dags in Swedish) is really bad for the countries; it can be total destruction in the future, if it does not change. God is also very angry because the children get so bad that whole generations get lost, away from God, and His purpose with life; to be a loving person that really cares for others and what Jesus wants us to do. The whole world mostly don't understand this and God and Jesus going to let the third world war come, because they get very angry when we destroy our own children here on earth, when both parents are working because we want extra money to buy extra things, all kind of things and also to borrow money so we can buy things that are very expensive. Of course, if one is home, taking care of the children and both are very selfish it will be even worse maybe, which we also can see in history. We really must have the real Christianity with the real Jesus and real love to all people, and then everything will work out very good. So let us pray for our countries, there is hope with Jesus, and I, myself, grew up without an earthly father. So let us have faith! **Jesus can change your life and give you hope for the future; for you, your family and your relations.**

HOUSEWIVES

The best for all countries

Or...

No Housewives- total destruction is waiting

By Allan Norgren

The women of my people have you cast out from their pleasant houses; from their children you have taken away my glory forever. Arise you, and depart; for this is not your rest: because it is polluted, it shall destroy you, even with a total (absolute) destruction. If a man walking in the spirit and falsehood do lie, saying, I will prophesy to you of wine and of strong drink; he shall be the prophet of this people.

God is speaking in Mika 2:9-11

This happened just before the 10 tribes of Israel (the northern tribes of Israel (Jacob) had to leave the country (722 BCE), because of sins. Up to this day we don't know where they are. Also Judah (and Benjamin) the southern tribes of Israel had to fall and Jerusalem had to fall (586 BCE), and the temple was destroyed. Really bad things happened. This has been written so that we shall learn of it and not do the same. What is the meaning of those Bible verses? We shall have Housewives, otherwise our children going to feel bad and be bad. If no mother is around some other can take care of them; the father, some relatives or friends. Of course, God is still merciful. I have been growing up without a biological father and my mother had to work of course, and other people had a helping hand. So you, who read this, don't be discouraged if you have a bad situation- Jesus is around, and God Himself is the Father of the fatherless. But I know, if I had not been saved and so on, I could easily have been a very bad person. I could have been like it says, "from their children have you taken away My glory forever. It's very bad that both parents are working and leave their children to kindergarten ("dags"- in Swedish)

Small children really need to have an adult that they know very well when they grow up. It's not enough with Kindergarten or "dagis". They really need their own parents around, or in the second hand some near relative or some other really love full person who take time with them.

I remember in my youth, I was crying when I should go to the "Day Mother". Often I went to my Aunt instead and was with her on her work, which was much, much better, because I knew her very well. The kindergarten system ("dagis" in Sweden) is so bad for a country. I hope you understand what I mean: to have Christianity in a country and Housewives are the two absolute most important things for a country. But of course! If we don't have **real** love to our children and God, it doesn't matter so much, if we have Christianity and House wives- see History.

We got to be serious and love full in what we do.

•And what happen in a country when the women are forced to work? Many times they love to leave their children and be with other people and so on. And the husband, he likes to have a double wage so he can buy many things when also his wife is working outside the home. The leader of the people and people in general, gives the young ones alcohol as a false comfort instead of a loving home with the mother as a Housewife.

I will prophesy to you of wine and of strong drink; he shall be the prophet of this people. *Micah 2:11*

• God told me very clearly that the real criminals are in the most cases like me- no father around, they feel very bad and they want love and also a steady hand what's right and wrong, with other words- **peace**. And if they have not get peace at home they will get it with the gang. The media news in Sweden was surprised 2010 – 11 why the criminal gangs had so many young people that like to join them. This is one **BIG reason**: NO HOUSEWIVES that give love to their children.

• It will be **total destruction** without HOUSEWIVES.

...It shall destroy you, even with a total destruction...

If you look back in history, not only in Israel, you can clearly see that when the women leave their children and their home and begin to do other things, the fall of that country, society or continent is a matter of fact. Divorce and all kind of sexual immorality are also coming out of this to not have Housewives. Many adultery sins begin at work. Men and women are working together. After a divorce the children feel very bad. I was crying when a relative divorced, I was about 15 years old and was, so called, a tough young man. HEY listen people of the world; many, many, many countries living like crazy in this matter and the third world war will be a matter of fact, because God is love and He can't see the children have bad times and the grown up people are living in bad situations, with many divorces.

•Therefore the Lord shall have no joy in their young men, neither shall have mercy on their fatherless and widows: for everyone is a hypocrite and an evildoer, and every mouth speak folly. For all this His anger is not turned away, but His hand is stretched out still. *Isaiah 9:17*

God is the Father of the fatherless and He is love, but if everybody becomes too bad, Gods anger can be big, things begin to happen, bad things can happen. Many countries in 2011 are in this situation especially rich countries, so watch out on Earth- we surely can't play with God and Jesus too long.

•A new commandment I give to you, that you love one another; as I have loved you, that you also love one another. By this shall all men know that you are My disciples, if you have love to one another. *John 13:34-35*

It's love to have one parent home, taking care of their own child or children. In Africa they took away all the old elephants from the group, and then began the young elephants to do crazy things, like killing other animals. Think of that!
