

The Prophet *Micah* 2:9-11 in the Bible

The women of my people have you cast out from their pleasant homes (No housewives); from their children have you taken away my glory for ever (the children feel bad and get a destructive life). Arise you, and depart; for this is not your rest: because it is unclean (No housewives leads to adultery and sexual immorality), it shall destroy you, even with a total destruction (destruction of people and countries in many, many ways).

If a man walking in the spirit and falsehood do lie, saying, I will prophesy to you of wine and of strong drink (alcohol; the false trust for the people); he shall be the prophet of this people. (People who know about alcohol have high rank).

The whole world is being built up with housewives;

They are taking care of the home, giving the children love, a safe place and righteousness.

In many ways the children lose the natural affection, how to live, because of no housewives and of course also without real Christianity.

Sins that really comes when no housewives is around; *Romans 1:31*

Without understanding, covenant breakers, without natural affection, implacable, unmerciful

But let us all turn to Jesus today, He will help us and forgive us our sins.

Read 1 letter of John 1-2

“Rich” countries where both parents are working show up a false economic overflowing life and their future will be no good if they not turn around. Both Europe and North America are being built up with Christianity and Housewives. Never forget that!

Address:

•But the younger widows refuse: for when they have begun to wax wanton against Christ, they will marry; having damnation, because they have cast off their first faith. And withal they learn to be idle, wandering about from house to house; and not only idle, but tattlers also and busybodies, speaking things which they ought not. I will therefore that the younger women marry, bear children, guide the house, give none occasion to the adversary to speak reproachfully. For some are already turned aside after Satan. 1 Tim 5:11-15

This clearly shows that the Bible learn that the woman shall take care of the house. I can talk with you for many days how good it is with housewives because we had this system in Sweden when I grew up and also much Christianity, Sweden was really a good land then. My mother learnt me to pray to God, stay away from sins, but I remember families where the mother was home taking care of the house. It was so nice to visit them and some was really love full, they was glad to talk with little me. Of course, the husband must have love to his wife and children. The man shall be around taking care of the children and do works in the home; otherwise the housewife system is not in function, I think. The main problem now is that the women is forced to leave their home and have their children at kindergarten from one year of age.

6 That's bad I tell you. Many countries do the same.

No Housewives - Total Destruction Will Come!

By Allan Norgren

The women of my people have you cast out from their pleasant homes; from their children have you taken away My glory forever. Arise you, and depart; for this is not your rest: because it is unclean, it shall destroy you, with a total (great) destruction. *Micah 2:9-10 (in the Christian Bible)*

• If we have housewives but not a good Christian life with real love to our wife and children or to others, it will not do us so much good anyway then (Look at history!). It is the combination that will do it;

Real Christianity with real Jesus love to our family and to other people, following the Bible - be merciful and holy in all ways, then our children will be good and the country will be good - I PROMISIE YOU!

• Jesus is merciful and will help you anyway if you live wrong in this subject. Read Isaiah 58.

When we Christians put away the Housewife system (both parents are working and others take care of their children) it's very, very bad because the children will be really bad in their hearts because they don't get real love and righteousness (of course not everyone, but in general). They become hypocrites from youth – this is very serious. They can be very good on the outside; church members, witnessing, singing, good talkers, good workers, but hard inside, especially against weak people or strange people. They grow up with other children; they early learn the “gang” rules - to be hard.

No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon (worldly wealth). *Matthew 6:24*

My opinion; Christians with children where both are working are serving Mammon more or less.

No Housewives - Total destruction will come

by Allan Norgren

To you who read this, no matter what situation you have, Jesus is standing on your side, ready to help you with everything; relations, money, meaning with your life and so on, even if you don't have the housewife system or are not able to have it.

• There is hope with Jesus even for those who don't have had a housewife as a mother; I myself have seen my biological father just once, and my mother had to work. But God our Father became my father.

I know in many countries the women are treated very badly, in most cases they have no Christian faith. (In Sweden we have had the Christian faith for 1000 years). There they must learn what the Bible teaches: The man shall really love his wife and treat her well, also the children. Read *Ephesians 5:21-33, Luke 1:17*

Your wife and children is a treasure, that you really shall take care of Malachi 2:14-17 and Malachi 4:6

• Even if my father and my mother forsake me, then the LORD will take me up. *Ps 27:10*

A father of the fatherless, and a judge of the widows, is God in His holy habitation. *Psalms 68:5*

Remove not the old landmark; and enter not into the fields of the fatherless; for their redeemer is mighty He(God) will plead the cause against you.

Proverbs 23:10-11 So let us not be sorry if we have had a bad family life, Jesus will help us if we turn to Him. And God the Father will be our father. Read *John 20:17*

This sin (NO HOUSEWIVES) and freedom from condemnation the false way (if we just really believe in Jesus and His blood we can do mostly anything sinful) **are the two greatest sins among us Christians.** Read *2 Thessalonians chapter 2* about the *great fall* among the Christians in the end time. In this fall these two objects (above) are the main sins, my opinion.

We got to preach all sins, then we need a Big Jesus, otherwise we need a small Jesus or in most cases no Jesus at all, because the faith we have is just a law deed and that's enough to just have the faith without deeds - really false Christianity.

If we Christians don't have love and a holy life, many unchristian people will laugh at us in a right way, that's the absolute truth, I know.

So let us have Housewives and live really holy. Then we can automatically win people for Jesus! God acts!

But if any provide not for his own, and especially for those of his own house, he has denied the faith, and is worse than an unbeliever. 1 Timothy 5:8

Think of that!

Living on two wages is really a bad thing the whole world is running for, and all the children feel very bad about this.

4

But if any provide not for his own, and especially for those of his own house, he has denied the faith, and is worse than an unbeliever 1 Timothy 5:8

It's really bad that both parents are working and are leaving their children to others, no matter what people say - the Bible is the word of God. Especially when Christians do this, and who at the same time believe in spiritual gifts and so on, they confuse all the people around. And it's a satanic joke when they talk about economy overflowing life when both parents are working and leaving their children to others, it's bad even if they leave their children to the Christian "kindergarten", "dagis" in Swedish.

Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD: ⁶And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse. Malachi 4:5-6

God and Jesus really want us to have love to our children and also that our children shall love their parents - it's kind of Heaven on earth when this is in function and out of this comes revival.

God can really speak to us when this is in function.

• *Matthew 24:21-22*

For then shall be a great tribulation, such as was not since the beginning of the world to this time, no, never shall be. ²²And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

The great Tribulation will be a really hard time, some believe it's the third world war, maybe it is.

If that time was not shortened no one would survive, a horrible time with violence.

As I believe TV, computer and all kind of picture media gives the knowledge how to do violent things and many other sins like fornication. Without Housewives the "children get the ability to really do what they have learnt, because they don't feel good inside "no one really cares for me, so why should I care for others" are the FEELINGS THEY HAVE - not just a few, 100 of millions all over the world. Thanks Jesus for Heaven and the "Wedding of the Lamb"! Read *Revelation 19:6-9*.

Halleluiah: for the Lord God almighty reigns. Let us be glad and rejoice, and give honor to Him: for the marriage of the Lamb is come and His wife has made herself ready. And to her was granted that she should be clothed in fine linen, clean and white: for the fine linen is the righteousness of saints. And he said to me, Write, Blessed are they which are called to the marriage supper of the Lamb. And he said to me, these are the true sayings of God. I like to be at that wedding.
