

NUMBER 1: FREEDOM FROM CONDEMNATION THE FALSE WAY;

Of course, there is freedom from the condemnation the right way when we try to do better next time. Jesus has a lot of mercy to weak people and forgives them over and over again. The false way is when pretty strong people sin and feel freedom anyway and don't give love to people, even if they easily can do. They don't belong to Jesus, if they don't turn around. Many false apostles are around these days, which say; come to us, here is Jesus, but Jesus is not there.

Think not that I am come to destroy the law, or the Prophets: I am not come to destroy, but to fulfill. Matt 5:17

NUMBER 2: NO HOUSEWIVES;

The women of my people have you cast out from their pleasant houses; from their children have you taken away my glory forever. Micha 2:9. Read also 1 Tim.5:11-15 A family with children, but without a housewife, follow satan more or less, think of that.

No housewives that are working in the home, taking care of the home and their children. And no loving man taking care of his children and his wife.

We men, must take care of our wife and our children. We can't have our own hobbies, old friends, relatives too much. The worst; looking and going after other women than our own wife. These missing things, sins, are preparing people for the next world war. People got knowledge how to be bad thru media; TV, movies, smart phones, computers **and they get ability to be bad thru lack of loving housewives that have time to give love to children, old people and the rest. If both parents are working among your churchmembers, try to get the youth into the housewife system, otherwise your church will go down in one way or another in the future.**

Address for church or organization:

I see also clearly that in churches where both parents are working, the children who grow up there don't get so much love to new people that are coming to the church. They just like to be with old friends and that will not make any revival. Without love in the youth, thru housewives, our churches will decrease. Bibleverses in this subject:

And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse. Mal. 4:6

A loving man don't have need of dubble wage. He let the woman be home and give love to their children.

And he shall go before Him (Jesus) in the spirit and power of Elias, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord. Luk. 1:17 *A loving man takes time with his children, and that's easier when he has a housewife.*

But if any provide not for his own, and specially for those of his own house, he has denied the faith, and is worse than an unbeliever. 1 Tim 5:8 *Christians in many churches are worse then unbelievers if both parents are working, away from their children. A man who is married shall not cling to old friends or relatives so much. But instead taking care of his*

THE 2 FOUNDATIONS ARE BROKEN

If the foundations be destroyed, what can the righteous do? Psalm 11:3

This is a message to all old Christian countries in the world. Of course, others can read it also.

By Allan Norgren

That kind of preaching God told me about in 1990, God said that I should be aware of such preaching, so I throw away many books and cassettes with this kind of preaching, most was prosperity preaching, **but also others.** This preaching is everywhere mostly. Because we like to have a broad, wide way to heaven or like to have a false apostle who teaches us everything. We don't like to be close to Jesus, but instead close to the false apostles, always offer money and buy things from the false teachers. Then I began to read old books, especially of Charles Finney, USA, but also Frank Mangs, Finland, David Wilkerson, USA, and others, **and of course, The Bible mostly.** The summer 1993 it became clear to me that Jesus wants us Christians to live holy, so much that other Christians say "Full of lawdeeds". I have been working much with non Christians and experiencing that many of them want us Christians to live holy, so they get some salt in their "rotten" life. We are supposed to be their priests. I have experiencing, they look at us and like to see holy acts, otherwise they feel bad. Of course, sometimes, they want us to live as they do. In the long run they are very afraid of the truth – Christians are maybe right, they think. **And Jesus increased in wisdom and stature, and in favour with God and man. Luke 2:52** People want us to live like Jesus, if we are Christians.

The first foundation that is broken; God is not so strict with sin. The snake told Eve in the beginning; **Has God indeed said? Genesis 3:1.** Jesus says very clearly that He has come so that we shall live as the law teaches us, except some rules that He has taken away; food rules, death sentences and some more. But all the morality laws is still in power - to be holy and live in love towards both God and people, read **Matthew 5-7. Think not that I have come to destroy the Law, or the Prophets: I have not come to destroy, but to fulfill. Says Jesus in Matthew 5:17.** Many Christians in old Christian countries believe our sins are forgiven whatever we have done or going to do, if we just have faith in Jesus, the cross and His blood, everything is fine. So many sins have power in many churches, also in Charismatic churches. Of course, if we really turn from our sins and are sorry for them, we are for sure forgiven. Some people have a really bad background and big problems with sin, these people Jesus forgives and helps. I mean that pretty strong people can select what to do, and are more guilty. The main problem is that sin is not preached clearly. Of course it must be preached with mercy and showing the way out of the sin. "FREEDOM FROM CONDEMNATION THE FALSE WAY" I call this false preaching.

Those who preach wrong in this, do not often, or never mention sins that leads to Hell, like Jesus did. They mostly never judge people, but just give them a pillow, so they can relax. If we preach about sin, we need a big Jesus. If we preach little about sin, we need a small Jesus or no Jesus at all. I am so tired of listening to sermons where they only are talking very much about Jesus, the cross and the blood, his death and resurrection – this is not wrong, **but they do not mention sins, so the preaching is not putting me closer to Jesus. If they have talked about what's wrong (sins) and then about Jesus, it would give us a need of Jesus, I hope you understand. I feel very bad when this is preached in charismatic churches, who once had the whole truth some 40, 50 years ago.** The big scandals in churches the last 30 years have this in common in their teaching; "Sin is no problem, the blood of Jesus always cleanses us whatever we do" – pedophiles in churches, murder and adultery sins in a charismatic church in Sweden. They all have this teaching in one way or another. Then we have the big mass, that just feel relaxed, because I believe in Jesus, so I can do whatever I want and the blood of Jesus cleanse me anyway, I can relax and believe in the false apostles. Many Christian books, DVDs, cassettes, **4** shall be on the garbage dump, and nowhere else.

if everybody in the whole world did that, the world gone change immediately very much, no doubt. Without the housewife system people feel very bad in the long run. Neither the children, the husband or the old people have no one to talk with in a relaxing way. You can't usually talk familiar in school or at work. People get very lonely and feel very bad because of this, they get afraid and cling to the gang. I know this is true because I grew up when they took away the housewife system in Sweden. I saw this very clearly. I am born 1961, have grown up without my biological father, but my mother taught me some good things, like praying to God every evening. I say to all women with children, with no husband around; **Jesus can help you also, as He did to me.** I got extra care and love from my friend's mothers, where they had this housewife system, it was in the 1970's when there still was housewife system. In 1990 mostly everybody were working in Sweden – both of the parents. Because of that the love and care in school was also much better in the 1970's than when our own 3 children were in school 1994 – 2013. A man said that not even girls don't care much for each other any longer. With a loving housewife, mother, the children get love and can give love to others.

The second foundation that is broken;
The women of my people have you cast out from their pleasant homes; from their children have you taken away My glory forever. Arise you, and depart; for this is not your rest: because it is unclean, it shall destroy you, with a total (great) destruction. Micah 2:9-10. Between 1900 and until now, the housewives in Europe and North America have in different ways leaving their homes and children, to work outside the home. **The man is also very selfish, not helping his wife, or/and leaving her for another woman. The man has responsibility in this more than the "weak" woman - don't forget that man! The men also want a double wage so they can buy many things.** *Housewife = A woman that is taking care of the home and the children. While the husband is working outside the home or outside the house with something.* This is the most common way to live in all history, except when the civilization is on top, then we don't need to live right, we think, we don't need God anymore. And we believe that there is no God; "Here we are! We are really visible and we can do things", **PRIDE LIFE IS COMING**, without any fear of God. God has not done any computers, cars, mobiles, big houses and so on. My friends, where there are no housewives, people are serving mammon - not Jesus more or less. **Matt. 6:24** **5**
