

Salvation is of the Jews!

John 4:20-24; Our fathers worshipped in this mountain; and you say that in Jerusalem is the place where men ought to worship. Jesus said unto her, **Woman, believe Me, the hour comes, when you shall neither in this mountain, nor yet at Jerusalem, worships the Father. You worship you know not what: we know what we worship: for salvation is of the Jews. But the hour comes, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeks such to worship Him. God is a Spirit: and they that worship Him must worship Him in spirit and in truth.**

Romans 11:17-18; And if some of the branches have been broken off, and you, being a wild olive shoot [all none-Jews] have been grafted [implanted] in among them, and with them partaker [sharer] of the root, fatness and nourishing sap from the true, genuine Olive tree [the Jewish people]. Boast not over those branches, if you do boast, remember you bear not the root, the root bears [supports] you.

Salvation is of the Jews! Let us be humble and accept that truth!

Basically I use King James Bible and Swedish 1917 translation.

Church or organization address:

Another thought why some people all over the world hate Israel: If people do sinful things they hate Jesus and God whom they not see and don't want to believe in, so instead they hate the Land of Israel and the Jewish people whom they see and which reminds them of Jesus and God; they concentrate their hate against Israel and the Jewish people. Listen to the news carefully, read history and you will know that this is a matter of fact, if you believe the truth. Read **Psalm 119:160** Dear Reader! Slow down and begin to think what is happening around! The really big thing why both Christians and non-Christians hate Israel in the Western World is that many sins are widely tolerated. First Adultery sins of all kind, divorce is not a sin anymore, families are divided because both parents work and leave their children – mammon [money] become their master and they are influenced by the unrighteous, secularized, society. “If we just confess Jesus we can do whatever sin there is” – very bad among many Christians in the whole Western World. Very sad to say. Many sins around, that's why people all over the world hate the Jews and the State of Israel! In Sweden many people don't like Christianity anymore - unfortunately they like to destroy Christianity and then they don't like the Jews and Israel who remains them of Jesus and the Bible. **Psalm 122:6; Pray for the peace of Jerusalem; they shall prosper that love you.**

LET US LOVE THE JEWS

If you love Me, keep My commandments.

John 14:15

People who try to keep all the commandments of the Bible love the Jews and the Land of Israel, the Bible and Jesus Christ. People who don't like to keep the commandments of the Bible often don't love the Jews and the Land of Israel, the Bible and Jesus Christ. That's a basic truth I have seen, especially in my own country, Sweden.

Times of the Gentiles are on the way to be fulfilled - salvation is coming to the Jews and the State of Israel instead! Read **Luke 21:24.** ..Until the times of the Gentiles be fulfilled. *Many Jews in Israel are accepting Jesus as their Savoir and Messiah.*

Isaiah 1:18-20; Come now, and let us reason together, says the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. If you be willing and obedient, you shall eat the good of the land: But if you refuse and rebel, you shall be devoured with the sword: for the mouth of the Lord has spoken it.

● I have seen this clearly since I was young; People who like a sinful life often hates Israel, the Jewish people, Jesus and Christian people. No doubt about it! But there are still people in Sweden who loves Israel. When I grew up in 1961-1985 **many** Christians loved Israel. But the last years even the most “Israel loving people” doesn't stand up for Israel as before. I believe it is because the sins have grown in Sweden; women leave their home and children for work, many divorces out of that, because they have no distance against the other sex, so selfishness increases. Almost everyone feels bad and many get angry at things that are good and honest - they unfortunately hate kindness! **Genesis 4:6-8; And the Lord said unto Cain, Why are you angry? And why is your appearance fallen? If you do well, shall you not be accepted? And if you do not well, sin lies at the door. And unto you shall be his desire, and you shall rule over him [the sin]. And Cain talked with Abel his brother: and it came to pass, when they were in the field, that Cain rose up against Abel his brother, and slew [killed] him.** This is the basic truth that everybody shall understand. This is the reason why some Swedish people hate the Jews, the Land of Israel and Jesus Christ. I have seen it so clearly.

LET US LOVE THE JEWS

If you love Me, keep My commandments.

John 14:15

● In Sweden I have seen that some people like to blame people who are connected with God - Christians, Jews and so on. They also hate when Jews believe in God and depend on Him to help them against all their enemies. People who love to sin also hate the Jews and the Land of Israel. That's the main reason why some Swedish leaders are much against Israel; they like sexual immorality, homosexual sin to be taught even to small children and they like to get money in a bad way. That is why many people like to get rid of Christianity and the Jews. That is why many people hate Israel who reminds them about the 10 Commandments and everything the Christian Bible teaches. It is so unfair when almost the whole world blame Israel, even though the Israelis try to be honest and like to have peace with people around. They are also the only democratic country in the Middle East. I urge you - try to see the truth! Remember, Swedish news is not always fair [just].

● Sweden has been a very good country in the past; many people loved the Jews, the Land of Israel, Jesus Christ and the Bible. We had "House Examination" (parish catechetical meeting) for about 200 years between 1700 and 1900. The Priest came and checked up the private households how much of the Bible people knew. It affected people to be kind and honest. But from about 1900 until now Christianity has been banished from our country - little by little;

- Around 1900: No more "House Examination".
- 1944: Homosexuality is from now on legal.
- 1948: Not legal to say on the radio that God can heal people. IBRA-radio started afterwards.
- 1954: Naked people in movies.
- 1966: The Government started to "force" women to leave their home and children for work. The housewife system crashed. Read **Micah 2:9-10**.
- 1969: No more Christianity as an "independent" subject in school.
- In the 1960s and the 1970s divorces increases **very much**. Rules made it easier to divorce, sexual sins on TV/Movies. Many people found a new partner at work and divorced.
- In the 1980s rude talk begin to increase on TV.
- 2000: The Church of Sweden is separated from the State of Sweden. No God – no moral! This is one of the big reasons why the Swedish Government and many of the Swedish people are against Israel today.

If you are a Christian that loves Jesus and all the commandments in the Christian Bible you will be hated just like the Jews are hated. "The truth and nothing but the truth" you had to say in court in the past, we also need to say that when we are Christians and follow Jesus. Remember that people who like to do bad things hate the truth. We all need to turn from the way of lies, have courage to see and follow the truth. Jesus will help us if we honestly pray to Him for help in this subject. Let us fear God – not people – so we will come to Heaven when we die; **Revelation 21:8**

But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers [sexually immoral], and sorcerers, and idolaters, and all liars, shall have their part in the lake which burns with fire and brimstone: which is the second death. In 1967 and before, Egypt and the Arab countries were really against Israel and wanted to destroy them totally, they said it publicly also. Israel was really pushed by many of its "neighbors". All Arab countries were against Israel more or less. They wanted to destroy Israel totally, but God helped Israel so they won this war and took what belonged to them; The West Bank, Gaza and Golan Heights, to make their Land a safer Land!!! Why do I mention this? Because this is the subject Sweden and many countries condemn Israel for. They took land that UN not had given them - but God is over UN and in the Bible we can clearly see that Israel shall have these places, read **Numbers 34**. **7**

Another big reason why not even some Swedish Christians love Israel as they did before is that both parents work and leave their children to others. This is bad, the Christians get strongly influenced by non-Christians at work and the Christian children grow up in kindergarten so they also get influenced by non-Christians. Many lose their Christian life because of this! Before we had the housewife-system and the Christian woman was working in her home, taking care of her children and had power to be strong in love and righteousness. But that housewife-system was in function in Sweden about 40-50 years ago – not today. Many people don't believe that this causes big problems in a country, but I have seen it myself because I am 58 years old now and the housewife-system was still in function in many families when I grew up. I see destruction in my country; many people have money and a lot of material things but the inner person suffers very very much. Believe me! The housewife-system produces peace and love. We must also build our country according to what the Christian Bible teaches, as Sweden once was built, otherwise it will be total destruction as it says in **Micah 2:9-10; The women of my people have you cast out from their pleasant houses; from their children have you taken away My glory forever. Arise you, and depart; for this is not your rest: because it is polluted, it shall destroy you, even with a total destruction.**

Dear Reader! Read the Christian Bible yourself and you will know what I mean.
