

Dear friends, Jesus loves you! He died for you and will give you an eternal life in Heaven if you open your heart and let Him in.

Jesus says in **Matthew 11:28-30**

**Come to Me, all you that labor and are heavy burdened, and I will give you rest. Take My yoke upon you, and learn of Me; for I am loving and humble in heart: and you shall find rest to your souls. For My yoke is easy, and My burden is light.**

**1 Peter 5:7 Casting all your care upon Him [Jesus]; for He cares for you.**

**John 6:37 All that the Father gives Me [Jesus] shall come to Me; and him that comes to Me I will in no wise cast out.**

**John 6:35 And Jesus said to them, I am the bread of life: he that comes to Me shall never hunger; and he that believes on Me shall never thirst.**

*It's so good to follow Jesus- much better than follow people!*

“Varsamhetsplakat” in Norwegian - in English it can maybe be translated to “standard morality rules”, concerning TV programs.

It's not legal, I told the lady. Then the lady raised her voice and shouted to me and said, “When that time comes, they will not care of those rules and laws, they will not any more care for precaution and caution.

People will come from poor countries to rich countries, they will come to Europe, and they come to Scandinavia, yes, also to Norway. And there will be many who comes and people will not like them and grow cold against them.” When she said this she began to cry, “they will be more and more treated like the Jews before the Second World War. Then the measure of our sins are full - the war breaks loose - first like a small conflict, insignificant [very small/unimportant] conflict but it will not end, it will increase and will be spread around, in the end it will increase to a really big war and in the end of the big war they will use horrible weapons - also atomic weapons. The air, the earth and the water will be poisoned and ruined. People in the industrialized countries -

## PROPHECY OF A WOMAN IN VALDRES, NORWAY, IN THE 1960s

**Told by the Pentecostal Pastor Emanuel Minos from Norway at a church meeting in Sweden.**

**The woman was an old lady - over 90 years old.**

*This is not a Biblical Prophecy so it needs to be tested. Prophecies in the Bible don't need to be tested, they will happen 100 %.*

**By Allan Norgren**

But when I came home to Oslo and was reading it again, I told myself, “This is too radical, this is too extreme, this I cannot read in an open meeting.”

So I put it in a drawer and it lay there for several years, until maybe 1993 when I cleaned the drawer. While cleaning, the paper with the prophecy fell out. Much has happened and much has been fulfilled. I started to read it in my meetings when I talked about the second coming of Jesus. The prophecy has been published in daily Magazines and other writings.

Now you shall hear what she said;

“It was like a big map was shown to me.” (It was with her natural eyes - not any inner vision).

“All the continents of the world were there, and I saw Europe, Scandinavia and Norway. And I saw what will happen before Jesus comes back and the Third World War will start.”

*I have done 4 parts of the prophecy;*

Part one

Before Jesus returns and the Third World War will start it will be a calm time (this she said during the Cold War time). It will be a long time of peace between the great powers.

***Emanuel Minos told about himself and about the woman's prophecy in a church meeting in Sweden;***

I had made studies in Oxford, Great Britain, for 5 years, but I had been there for 7 years (1956–1963), 2 years was language studies. When I came back to Norway I got calling to preach in Norway state churches, which I had not got before. Now I got a call from a church in Valdres, Norway. Very beautiful place. I preached the morning service and I preached the text of the day, so it was no prophecy message. After the meeting I stood there with an elder brother from Gjøvik Pentecostal Church (a near Pentecostal church) and also my wife Aase. Then came an old lady, over 90 years old, towards me and said:

"I have seen a vision and wonder if you like to write it down? When Jesus is coming again and the Third World War will start..."

And then I wrote it down, and she said:

"When God reminds you of this, you shall read it up in your meetings."

People will do long-term plans. In our country it will be disarmament and we will not be ready, as we were April 9<sup>th</sup> 1940 when Hitler-Germany occupied Norway. Third World War will start in a way that no one could think and from a really unthinkable place.

**Part 2**

There will be a falling away from a genuine and true Christianity. Among the Christians there will be lukewarm Christianity - Christians will not be open for investigative [fact-finding] message. People will not like to listen to message about sin and mercy, cure [penance] and repentance [recovery/revival]. A new kind of preaching overtakes the pulpits; the thing is prosperity and to just being happy, money and material prosperity, a kind of "happy gospel" will be very popular. Churches will begin to be empty, same with prayer houses and revival rooms are also starting to stand empty. The believers no longer want to follow Jesus and take His cross on their shoulders on the narrow road to Heaven. Entertainment, art and cultural activities take more place in churches than revival and spiritual distress/need, deep repentance and penance [cure, remedy].

**4 This was the second part.**

America, Europe, Australia, Japan and similar countries - must flee, they can't live there anymore. They are coming to the poor countries which have escaped the worst. But there are the people not so willing to welcome us, in the same way as we not have been so willing to welcome them."

*So long this Prophecy.*

"I think some have been fulfilled. I don't know what you think? Some has been fulfilled", Emanuel Minos said in the end of this story.

Some Bible verses in this subject:

***Deuteronomy 27:19*** Cursed be he that perverse the judgment of the stranger, fatherless, and widow. And all the people shall say, Amen.

***Exodus 22:21*** You shall neither vex [trouble, upset] a stranger, nor oppress him: for you were strangers in the land of Egypt.

***1 Thessalonians 4:3-6*** For this is the will of God, your sanctification, that you should abstain from fornication [sexual immorality]: That every one of you should know how to possess his vessel [body] in sanctification and honour; Not in the lust of concupiscence [strong, sexual desire], even as the Gentiles which know not God: That no man go beyond and defraud [cheat, rob] his brother in any matter: because that the Lord is the avenger of all such, as we also have forewarned you and testified.

**Part 3**

It will be a "sexual immorality wave" that we never have experienced before. People will live like married but they are not married. The expression "partnership" ("sambo" in Swedish/Norwegian) was not in function then, so the old lady expressed herself in her own way. It will be much sexual immorality before marriage and there will be much sexual immorality in marriages. Yes, even Christian marriages will have sexual immorality as a standard. And then it will also come unnatural sins (homosexuality) spreading in the society, and those sins will even be tolerated among Christians. TV will take a big part in spreading many things, it will be many TV stations (and she used a not common word "stations" - not "channels"). TV will be full of violence, and violence will be entertainment and the violence they see will be standard in towns and in whole countries. They will also show intimate fellowship between man and woman on TV, things that belong only to a married couple will be shown openly on TV. When she said that I protested and said: It's not legal in Norway to show such things. We had a rule in Norway at that time, in the 1960s, called
