

Dear friends, Jesus loves you and He died for you. He will give you an eternal life in Heaven if you open your heart towards Him.

Jesus says in **Matthew 11:28-30**

**Come to Me, all you that labor and are heavy burden, and I will give you rest. Take My yoke upon you, and learn of Me; for I am loving and humble in heart: and you shall find rest to your souls. For My yoke is easy, and My burden is light.**

**1 Peter 5:7** Casting all your care upon Him [Jesus]; for He cares for you.

**John 6:37** All that the Father gives Me [Jesus] shall come to Me; and him that comes to me I will in no wise cast out.

**John 6:35** And Jesus said to them, I am the bread of life: he that comes to Me shall never hunger; and he that believes on Me shall never thirst.

*It's so good to follow Jesus - much easier than to follow other people!*

In this context it can only be said that the Hebrew numerical value for v and w is 6, so www can also be written: 666.

Perhaps this is a fingernail that this world-wide network may in some way be linked to the coming anti-Christian empire. That we don't know, but for sure – we need to live in prophetic vigilance [watchfulness] in this time.

*This is the end of Holger Nilsson's word.*

Dear reader, turn to Jesus and follow Him - you will for sure get a safe future.

There will be "Rapture"; people who follow Jesus will fly up in the sky - to Heaven - before really evil time comes upon the earth. This is my personal interpretation of what the Bible says about the End-Time. Read:

**1 Thessalonians 4:17-18** Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we forever be with the Lord. Therefore comfort one another with these words [says Paul].

**Revelations 3:10-11** Because you have kept the word of My patience, I also will keep you from the hour of temptation, which shall come upon the entire world, to try them that dwell upon the earth. Behold, I come quickly: hold that fast which you has, that no man take your crown

## THE FUTURE OF INTERNET

The Future of Internet - a prophecy/vision  
By Maurice Sklar from 1985.

*This is a none biblical prophecy, it has to be tested if it is true. Biblical prophesies in the Bible don't need to be tested, they will happen 100 %.*

By Allan Norgren

This is how he tells about one of the revelations:

"In one vision I saw the earth from outer space. While I was watching, I began to see what looked like neon lights that began to appear in hexagonal patterns.

It started from the North American continent and then spread to Europe and then around the world. The closest way I can describe it is that it looked like white laser lights that were traced in about 100 Miles wide hexagon patterns around the entire earth as an electronic or laser spindle network. When the lights stopped traced around the earth, it looked like the earth was wrapped up in an electronic grid like a geodetic dome, similar to the white globe found at Epcot Center in Disneyworld, with the difference that this is not solid. You could see the earth under the grid, with its blue oceans, clouds and atmosphere.

The Lord said to me: "This is what will happen shortly. An electronic network will enclose the earth. It will unite the whole world under the antichrist's system of End-Time Babylon. First, it will bring great blessings and prosperity. It will seem like everyone is coming together and a new time is germinating [growing] for humanity".

## **The Future of Internet - a prophecy/vision By Maurice Sklar from 1985.**

**Put together by Holger Nilsson in his Magazine "Flammor" number 2, 2017:**

**As a storm wind, the world has been taken by Internet. People rejoice at this versatile [resourceful, all-round] masterpiece - but how does the End come?**

In a very short time, the world's population has seen communication networks break through which exceeded everything that anyone could predict. The Internet has tied together people in a large network worldwide. A contact opportunity and a source of knowledge have been opened to billions of people throughout our world. Does this technology have anything prophetic about it? Does God have anything to say about such a pervasive [widespread, general] network of contacts, as has now been the case in the last days? Maurice Sklar is a Christian, with among other things the gift of playing violin in a masterful way. He has been playing since he was four years old. In May-June 1985, his life was greatly affected by the Lord. He then got visions about the future and what would happen in the End-Time.

I looked again and I saw the Earth from space with this electronic web around it once again. But then I saw the European continent. The hexagons of each nation began to darken and became opaque [non-transparent]. It looked like black smoke rose up, and one by one each hexagon began to turn grey and then black. After a few seconds, I could no longer see Europe at all. Then this spread quickly to Asia and Africa. Finally, Australia, China and even America were completely wiped out. I could only see the seas. Then the islands became black in the seas. Finally, the whole earth was in the dark - even the blue oceans disappeared. I experienced such evil and hopelessness, and I heard the cry of millions of souls on earth that were trapped in this darkness.

Then the Lord spoke again and said, "Do you see this? Do you know what it is? I replied, "No, Lord." He said, "This is the fullness of the tree of knowledge for good and evil. This is what Adam chose for all mankind in the Garden of Eden, instead of fellowship and life with Me. They could have eaten from the tree of life instead, and then this would never have happened."

Horror time will come upon the earth, but let us follow Jesus now and we will miss it.

Read *Matthew 24 – 25*.

*Isaiah 24:19-23*

The earth is utterly broken down, the earth is clean dissolved [melt, end, disappear], the earth is moved exceedingly [extremely]. The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again. And it shall come to pass in that day, that the Lord shall punish the host of the high ones that are on high, and the kings of the earth upon the earth. And they shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in the prison, and after many days shall they be visited. Then the moon shall be confounded [confused], and the sun ashamed, when the Lord of hosts shall reign in mount Zion, and in Jerusalem, and before His ancients gloriously.

*Luke 21:28* And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draws near.

*Revelation 3:10* Because you have kept the word of My patience, I also will keep you from the hour of temptation [test], which shall come upon all the world, to try them that dwell upon the earth.

I was so confused. In fact, I didn't understand at the time what this meant. One must remember that the "World Wide Web" and the Internet were only in their infancy [beginning] in 1985. Only a few thousand computer geeks [fantasts] were "online". I couldn't imagine the world as it is now. Personal computers had just begun to enter the private sector. But when I look back at this today, I understand of course the vision without a doubt.

God told Daniel that last-day knowledge would increase exceptionally and that people would travel around like never before in human history. If there is one thing that characterizes the current generation, it would be these two things. Travelling all over the world has never been faster or easier and humanity's collective knowledge doubles over only a few weeks. As a snowball that goes down a mountain and gets bigger and bigger as it travels faster and faster, is the knowledge that explodes like never before. What knowledge? The knowledge of both good and evil. It is now wrapped around humanity as a gigantic tree, which with its branches reaches everywhere. We cannot escape from this." End quote.

*This is the end of Maurice Sklar's prophecy.*
