

• Many Jewish people in Israel begin to follow Jesus, more than people do in Sweden, because here people don't like Jesus any more.

In **Luke 21:24** Jesus says; ...until the times of the Gentiles be fulfilled. God comes to Israel now in many ways, because we in the old Christian countries don't like Jesus anymore, as we did in the past. It's a big falling away in old Christian countries also written in the Christian Bible;

### **2 Thessalonians 2:3**

**Let no man deceive you by any means: for that day shall not come, except there come a falling away first.**

• Yitzhak Kaduri is a name of a Jewish Rabbi who died 2006, he became over hundred years old. He left a note that should be opened a year after his death, on the note it was written in Hebrew:

**"He will raise the people and confirm that His word and law are standing."**

You can get the name Yehoshua out of those words he wrote in "the acronym way" if you put the first letter in every word together. He also said that he met Messiah Himself a year before his death and that Messiah shall arrive soon.

Basically I use King James Bible and Swedish 1917 translation.

• Early in my youth I learned to love Israel through my Aunt. My mother and I lived near her and she worked for a Christian Mission Organisation in the 1960's until 1980's. The Mission Organisation supported Israel very much, especially after the 1967 war. Many Free Church Christians those years supported Israel and the Jewish people very much.

• I got born again and gave my life to God in 1980. Since then I have been reading the Bible. The Jews are God's chosen people and He likes to show His will through them;

**Zechariah 8:1-8** Again the word of the LORD of hosts came to me, saying, This says the LORD of hosts; I was jealous for Zion with great jealousy, and I was jealous for her with great fury. This says the LORD; I am returned unto Zion, and will dwell in the midst of Jerusalem: and Jerusalem shall be called a city of truth; and the mountain of the LORD of hosts the holy mountain. This says the LORD of hosts; There shall old men and old women dwell in the streets of Jerusalem and every man with his staff in his hand for very age. And the streets of the city shall be full of boys and girls playing in the streets thereof. This says the LORD of hosts; If it be marvellous in the eyes of the remnant of this people in these days, should it also be marvellous in Mine eyes? Says the LORD of hosts. This says the LORD of hosts; Behold, I will save my people from the east country, and from the west country; And I will bring them, and they shall dwell in the midst of Jerusalem: and they shall be my people, and I will be their God, in truth and in righteousness.

Many Jews from Eastern and Western Countries go to Israel.

## **WHY I LOVE AND SUPPORT ISRAEL AND THE JEWISH PEOPLE**

### **Isaiah 62:1-7**

For Zion's sake will I not hold My peace, and for Jerusalem's sake I will not rest, until the righteousness thereof go forth as brightness, and the salvation thereof as a lamp that burns. And the Gentiles shall see your righteousness, and all kings your glory: and you shall be called by a new name, which the mouth of the LORD shall name. You shall also be a crown of glory in the hand of the LORD, and a royal diadem in the hand of your God. You shall no more be termed Forsaken; neither shall your land any more be termed Desolate: but you shall be called Hephzi-bah [=her that I love, that I have My lust in], and your land Beulah [= the true bride, His wedded wife]: for the LORD delights in you, and your land shall be married. For as a young man marries a virgin, so shall your sons marry you: and as the bridegroom rejoices over the bride, so shall your God rejoice over you. I have set watchmen upon your walls, O Jerusalem, which shall never hold their peace day nor night: you that make mention of the LORD, keep not silence, And give Him no rest, till He establish, and till He make Jerusalem a praise in the earth.

**Let us pray for Israel and Jerusalem - their Capital.**

*By Allan Norgren*

**Shame to all people who don't see the history of the Jewish people and not have a loving care of them;**

• 2000 years without their own country - Israel.  
• They have been persecuted very much these 2000 years.

• They have had the most horrible situation you ever can find in the whole world history; during the Second World War, in the Holocaust, 6 million Jews were murdered. Dear friend, try to get yourself into that situation by reading books in this subject and listen to survivors from the concentration camps, visit a camp if possible.

• Today Israel got a lot of enemies around, so shame to all people/countries who like to blame the Jews.

• Abraham had two sons Ishmael – the Father of the Arabs, and Isaac - the Father of the Jews and all tribes of Israel (Jacob). The Arabs got a lot of land, a lot of oil and a lot of money. The Jews/Israel got a little, little land and many people want them to split it up so the Arabs even get more land that belongs to the Jews/Israel which God has given them. It is not fair to split the Land of Israel.

## WHY I LOVE AND SUPPORT ISRAEL AND THE JEWISH PEOPLE

People in Sweden have it in a bunch; Jesus, the Bible, Israel, the Jewish people and all kind of morality, but many Swedes don't like these subjects anymore. We have had Christianity for 1000 years, but now many people like to check up other things like homosexuality, abortion (killing babies in the womb), alcohol, bad talk, not allowed to teaching children what's right or wrong and many things that is opposite of the Bible. They do wrong with a bad will. It even seems they read the Bible and then do the opposite. Very crazy! At the same time all Swedes live of the blessings that Jesus and God the Father has given us for 1000 years, because of **good Christianity** in Sweden. Shame to all Swedes that not thank God and Jesus! Compare Sweden to many other countries that not have had Christianity for 1000 years. Sad to say, Sweden is on the way to be a country without God, people lose their mind/sense/intelligence/understanding. **Crazy things happen when people/countries leave God.**

My personal view of what should be very good to do: the Arab countries could split all the money they get from the oil. If they do so, every Arab in the whole region could have a pretty good life, be satisfied and let the Jews have their country with 1967 borders. I have read that the Arabs (Palestinians) were treated very good after 1967 war.

- Egypt and many Arab countries were very against Israel before the 1967 war, they would throw Israel in the Mediterranean Sea in the 1967 war, but God didn't let them do so. Please my friend, stop, think and listen; Should the true living God of the Whole World let one third of the Jewish people be murdered and then let them be killed/murdered again? No! God will, according to His word, continue to help Israel. Pray for Israel and all the Jews, otherwise you don't have any true love and justice.

**1 John 4:20-21**

**If a man says, I love God, and hate his brother, he is a liar: for he that loves not his brother whom he has seen, how can he love God whom he has not seen? And this commandment has we from Him, that he who loves God loves his brother also.**

- I tell all Jewish people who read this, **God is for sure with you and all His promises will be fulfilled through you.** The whole Bible will be fulfilled 100%, no doubt about it!!!

- I've been in Israel 4 times. The first time in 1981 I was baptized in the Sea of Galilee. I was there with a group of Pentecostal people from Sweden. Second time I worked on a passenger ship and stopped in Haifa for two days, then I went to Jerusalem on my free time. Third time with my wife and our youngest son. The fourth time with my wife and our two sons. Israel is a big light in my life.

- They do so many good things in Israel for their own people and even for Arabs who are Israeli citizens, many people are not aware of that. They are really on the right way in many ways and they are also the only democratic country in the Middle East. Many Swedish people have for many years listened to many lies about Israel on Radio and TV.

- In my youth I met pretty many Jewish people and felt a strong fellowship with them.

- There is for sure two kinds of Christians; They who say they believe in Jesus but have *no love* and they that believe in Jesus and have love to **all people** on earth.

We must love one another. In *the Millennial Kingdom* when Jesus is coming down from Heaven into Jerusalem there will be peace with all people. Even the animals shall be full of peace then. What a wonderful day! Tears of joy and love will be spread through the whole earth. So once again I say to you, my friend: It is very, very low/ bad/ unjust to not stand up for Israel and the Jewish people. If you don't stand up for Israel and the Jewish people you are "kicking on the person on the floor" and that's very low! It's very, very bad if you do so; you just follow the big crowd and feel safe because Israel has so many enemies around. A really good person shall not be afraid of the big crowd who do wrong.

**Revelation 21:8 But the fearful [cowardly], and unbelieving, and the abominable, and murderers, and whoremongers [sexual immorality], and sorcerers, and idolaters, and all liars, shall have their part in the lake which burns with fire and brimstone: which is the second death. Psalm 1:1 Blessed is the man that walks not in the counsel of the ungodly, nor stands in the way of sinners, nor sits in the seat of the scornful.**
